

RAIN TREE GUEST GUIDE

Nestled on the banks of the Kafue River, located in the Game Management Area opposite the Kafue National Park is Raintree Camp. Surrounded by open dambos, the camp offers panoramic views of the wildlife that call this area home. Elephant, puku, impala, warthog and hippo are all residents in the area. Lion, leopard and wild dog are also frequent nomadic visitors. The camp offers stunning views up and down stream. Think intoxicating sunsets, game rich flood plains and natural tranquility when you visit Raintree Camp.

Only 250Km from Lusaka, the lodge is easily accessible from the Lusaka to Mongu Road. Raintree Camp offers a number of activities that include, game viewing, fishing, river safaris and sunset cruises.

Muzovu House

Muzovu house is a beautiful four bedroomed safari house with a wrap-around veranda maximising on game viewing opportunities. The rooms are air conditioned and serviced by two bathrooms. We provide bed linen, towels and mosquito nets for each bed. The kitchen and dining area has a cooker, fridge, deep freezer and kettle as well as cooking utensils, crockery, glassware and utensils. A full Inventory list will be provided.

Self catering prepared by our chef

Full House (4x bedrooms)
K7,500 per night

Half House (2x bedrooms)
K4,000 per night

Our water is straight from the beautiful river which we then filter for our clients bath water. All drinking water maybe purchased on site or brought in by the clients at no extra cost as we are a self catering accommodation, please bring your favourite drinks and groceries with you.

Inhouse is an experienced chef that is ready to serve you with good meals and a touch of his beautiful smile which makes your food taste even a lot better. We would like you to allow us to give you a fun, enjoyable, serene and affordable time a home away from home.

Notes

- The property is in a Game Management Area, therefore guests are encouraged to be careful as there are wild animals around.
- The kitchen/diner has a cooker, fridge, deep freezer, kettle and toaster as well as cooking utensils, crockery, glassware and utensils. There is a pantry for storing food, and a dining table with eight chairs.
- We operate on solar 24/7 so you will not have the inconveniencing that Zesco load shedding may come with.
- Smoking is NOT allowed inside any of the buildings, including the kitchen/diner area.

Activities

We offer activities including game drives, boat safaris and cruises, fishing, a fire pit close to the river bank and a range of other activities. We also provide assorted board games. Guests will also be able to enjoy relaxing in Derrick's Den, a thatched 'insaka' style seating area with beautiful views of the river and the Kafue National Park across.
